Victories for the allies are claimed in both the eastern and western theatres in the latest reports made by the Russian and Franch war chancellories. Progress for the Muscovites in the recapture of ground at different places on the Niemen Victuis line and places on the Niemen-Vistula line and also the taking as prisoner of numer-ous German officers and men and the capture of guns and war stores are recorded by Petrograd.

Two entire companies of Germansof the machine gun arm of the service and other of the Prussian guard—have fallen into the hands of the French during fierce engagements, respectively to the north of Arras and in the Champagne district, according to Par-ia. In addition, the French statement says some 650 yards of trenches in the region of Mesnil and trenches and ravines northwest of Beausejour were captured by the French, during fighting in which the German losses are described as having been extremely high. Twelve attempts by the Ger-mans to sap allied advanced trenches in the sand dunes of Belgium were

pulsed.
The fighting which has been in progress in the Carpathian passes for several weeks seemingly has lessened in eral weeks seemingly has lessened in violence. Vienna reports engagements in some sections, but says that on the whole the situation remains un-changed. The taking of Stanislau, campaign in that territory of 153 Ger-man officers and 18,522 men, together guns, horses and troop trains is rded by Petrograd.

Nothing new concerning the attempts of the ailied fleet to force the Dar-danelles is known. Despatches com-ing by way of Berlin, reiterate that damage thus far done to the Turk-fortifications by the shells of the warships is not as great as allied re-ports of the bombardment have indi-cated.
